

Lord I Believe

You say that You love
You say that You save
You say that I AM and
You say that the price is paid

You say that You heal and
You say You provide
You say that You are the way, the truth,
You are the life
and I say that You are

Lord I believe
Every word You speak
I know that I can trust in You
beyond what I can see
'Cause I can feel You breathe
deep inside of me
You're filling me with life and love
every time I sing
Lord that I believe

You say that you call
and you say that I can
You say that you love and
You say that I am Your hands
