

Faithful To Me

D
Looking through the years of my life to find You're faithful to me
G
And I'm learning how to lean upon the blood You gave that rescues and receives D
G Asus A D
So I let Your life inside of me be the light that leads me on my way
G A
So lead me, lead me

D Bm
Cause I believe in You and I place my trust in You
G Asus A
And I lay my heart my life my all
D
Before Your throne of mercy
Bm
That You've greatly shown to me
G
And I can stand upon Your promise
Asus A D
That You are faithful to me

D
Thinking that I've traveled long enough to know that I just don't belong
G Asus A D
Cause this old world has found it's way of turning tender hearts You gave to stone
G
So Lord I need to hear Your voice
Asus A D
Lord I need to know just where to go
G Asus A
So lead me, lead me
