

You Remain
CCLI #6355971

I believe in my heart
I believe in Your hands
I believe that You are the strength of all I am
So here I am

Forever Your love is forever the same
Forever the song of my heart will sing
To bring You praise
So I bring You praise oh cause

You remain
Faithful and true
You remain and I'm hidden in You
Ever my heart ever is Yours
Forever Your love
Forever endures
Your grace it abounds
Your grace it surrounds
Your grace it has changed my life
and I have found
That You are worthy of my praise
Oh cause You remain

You've rescued my feet off of sinking sand
You are the Rock Lord on which I stand
So here I stand

Great is Your love
It's greater than time
Great is the love
Great is the life You've placed in my hands
So I lift my hands
